

Sid's Notes from March 11,2019
VASA Meeting

1). Safety:

Dani will be hosting a Safety Class in Newport on the 23rd of March. Class is full and will not be taking any more names.

2). Membership:

- a) TMA's were handed out to each club. (Red Stickers)
- b. Maps were not ready to be handed out yet. Should be ready in the next week or two.

3). Events:

- a) Great Trails Workshop dates are June 21, 22 & 23. At least 2 names were needed. I submitted Steve Bean and Sid Griggs. Hotel rooms will be provided with double occupancy. If single room is preferred VASA will pay 50%. Any changes, add names and room info needed no later than April meeting.
- b) VASA would like each club to provide a "club picture" with caption to be put display at Annual Meeting on June 8th.

4). Trails:

- a) David needs every club to inventory their State Highway and all Rail Road crossings. That would include locations, ie: mile markers or location info. This information is needed ASAP.
- b) There will be changes to the way signs are issued to all clubs. The new Standard Signs (Green Hwy Crossing and Arrows) will be split 50/50 between VASA and all Clubs. Each club will be required to purchase all other signs at 100%. A list will be coming out soon with the new prices. (use all old signs first).

5). Apparel:

- a) VASA T-shirts are available for sale for \$12.00, sizes small, medium, large, XL, XXL.

6). New Business:

- a). Vote was held on 3/11 and was approved for VASA to purchase a New PA system. This system can be used by clubs on a first come basis.

7). FYI:
