Brown to retain ownership of lands that have VASA trails on them, land adjacent to Victory bog and areas along rt. 2 between Concord and Miles Pond will be sold to the land trust. This will take at least three years as this is a federal grant that will be filtered down to each state and the state will determine which purchases will be made.

- e) Chad stated that we should look into purchasing a York rake for the tractor and possibly looking into a larger tractor.
- f) The clothes order is in and Chad has be authorized to purchase addition totes for storage.
