A meeting was held at 1:30 pm at the Miles Pond Pavilion with Larry & Betty Brown, Chad Sterling & Steven Bean, Ed & Reg Bunnell.

The meeting was called by Larry & Betty Brown for the purpose of having the ATV and Snowmachine clubs work together or all land usage will be denied. Larry stated that he wants the ATV trails open May 1st thru November 1st. This will allow the snowmachine club to take care of their trailwork each spring and fall.

After discussion of a new trail to go around the rough area on the trail from Rt.#2 (Trail # 371 to Trail # 370), the group proceeded to flag out a trail that Larry felt was the best route. All agreed at this time, Larry will have the trail logged out so the clubs can have an excavator complete the trail.

Respectfully submitted,

Steven Bean, Secretary
