New Business:

- a) Trail relocation (bad section up Miles Mt.) was presented by Chad. VAST is applying for a grant to relocate from lower section by apple orchard to Carr Brook. Larry Brown, Chad, Scott Cromack, Bunnel's & other interested parties will be blazing a new trail possibly following some existing old skid roads within a few weeks.
- b) Oregon trail that previously needed to be relocated is on hold for now as property is up for sale.
- c) Sid spoke with Adam Lane in regard to purchasing a new york rake. The best Adam can do is his company discount of 15%. After further discussion, it was decided that. A 4 or 5

foot was probably the best size. Sid to follow up with Adam. Chad to also speak with Naults to see what they can do.

- d) Chad has not received any information with regards to a Memorial Day parade.
- e) Green Up will be May 7th, everyone to meet at Chads at 9:00 am.
- f) Chad has been able to locate an axel for the Ranger. Pine asked Chad to send him specks and he will check to see if he has one.
- g) Trail work request from VASA (Carr Brook to Horn of the Moon) was discussed. VAST did some work on the upper trail last fall. Chad to check with Larry Brown to see if we should also do the trail Larry had made for us previously or the third trail or nothing at all.
- h) Steve to send the following to VASA for their newsletter:
