

RT 2 dual ATV usage starts May 1, 2022

- 1) This means that, as of May 1st, you can ride from the kiosk/trailhead off Royalston Corner Road in Concord-- facing Route 2 take the road that is on your right-- then head east along Route 2 to Alpine Valley Campground and Mooselook Restaurant.
- 2) This means that, as of May 1st, you can ride from Shadow Lake Road (near the Fire Station) in Concord along Route 2 going west to Woodward Road, just west of Concord village
- 3) **THIS DOES NOT MEAN THAT YOU CAN LEGALLY RIDE ON ROUTE 2 ANYWHERE ELSE!!!**

As always- remember this is a privilege and not a right. Do not abuse it- be respectful- laws of the road apply and unless crossing the road, ride on the shoulder of the road not on the travel lane and go with traffic -- we don't want to lose this access since it will benefit so many riders.
